Our Story

The Foundation for a Healthy Kentucky is a nonprofit, nonpartisan organization funded by an endowment that works to make Kentuckians healthier. Since it opened its doors in 2001, the Foundation has invested \$29 million in health policy advocacy, research, and demonstration projects across the Commonwealth.

Our Mission

To address the unmet health needs of Kentuckians by developing and influencing policy, improving access to care, reducing health risks and disparities, and promoting health equity.

Our Vision

A Kentucky where every individual and community reach their highest levels of health.
